 10. Bass amp Direct out 11. Bass amp MIC (sm57), 12. Electric guitar left Mic 13. Electric guitar Slash, Mic  
 14. Synth L , 15 Synth R... 16. back vocal left, 16. Lead vocal 17. Back vocal Slash, 18. Back vocal Synth player

5 Aux sends, 6 monitor speakers. Minimum requirement: 3 Aux sends, 3 monitors

At the mixing console, we need at least one Built In or external **effect fx** (reverb/hall/plate... ~ 2 sec. long), for vocals. It will be OK if we have also second effect fx, short plate for the drums.

Also, we need 220V power cables near Aux1 and Aux3 monitors for the band guitar pedals.

Drinks on the stage: 6 bottle of waters and 6 beers.

Backline (if we are travelling by aeroplane, we are bringing only guitars and cymbals)

Drums:

- Good quality drum set
- Cymbal stands (hi hat, ride, and three for crash)
- Drum chair
- Drum carpet under drums

bass:

Any good quality bass amp

guitars:

Two Marshall valve amps (preferred the older models), with 4x12 boxes.

At least one 4x12 box, and the second guitar can be "2x12" box, or combo valve amp.

Synth:

Korg Triton, M3, or Kurzweil PC3x, or Yamaha Motif

We could fit probably with some other equipment which are not on the list, but please, let us know first what options you have, and what you will bring to our show. Just to be sure that everything will be fine.
